Looks good.

On the building RG evaluation, you could drop the last two sub bullets ("EPA's comment letter and data analysis recommendations" and "Implications on cleanup work"), leaving "Discussion with headquarters" and "Next steps with Navy"

Thanks.

Yolanda - You meant to send an agenda? (You sent the draft decision memo on the RAB/CIP)

(I read through your memo and noted a typo in the sentence that reads "**We recommend sending a letter to request the Navy complete a more thorough evaluation of is community outreach and involvement program**")
